**SACC-PRESCHOOL
BEFORE AND AFTER SCHOOL CARE**

The Before and After Care Program is a program aimed at meeting the needs of children, parents, and community. Based upon need, we will provide child care for three and four year olds during the hours when school is not in session for them.

WHO: This program is for students attending Norma Preschool only.

WHERE: Norma school children stay at their school site.

WHEN: Beginning at 6:30 AM – Before Care (Based on Enrollment)
Ending at 5:00 PM – After Care (Time may change due to enrollment)
Early Dismissal 11:30am-3:00pm
This program will follow the school calendar.

WHAT: A carefully planned program designed to meet the needs of three and four year olds in a supervised environment. Students can participate in specially planned before- and after-school activities. Indoor and outdoor activities are also scheduled. Snacks are provided. Parents must provide transportation to and from the program.

TUITION: Registration is for the school year. Tuition is paid in 10 installments by the 15th of the month. Invoicing begins the first of September and ends the first week of June for monthly students. Daily (as needed) students will receive their first statement on October 5th for September usage and the third week of June for June usage.

The last day of the school year will be the last day of the program.

Parents are to inform SACC in writing (Yvonne Burgess, yburgess@pittsgrove.net) if their child will be staying for SACC if they use the program on an “as needed” basis.

EMERGENCY CLOSING PROCEDURES

1. Delayed Morning Opening

If morning conditions are hazardous, the opening of school may be delayed by one hour. This gives the transportation department more time to ready buses and the maintenance department time to clear parking lots, sidewalks, and check building conditions. This extra hour also gives administration additional time to make a decision to close school especially if conditions worsen.

SACC will open one hour late if the opening of schools are delayed by one hour. Norma will then operate from 8:00 AM until the opening of school. SACC will not open if schools are then closed.

Delayed Openings rarely occur however we need to be prepared.

2. Early Emergency Closing

If weather conditions become hazardous and are predicted to worsen, school may be closed early and students transported home.

SACC will make a decision about remaining open and for how long we will stay open with the advice of the Superintendent.

- (1) If conditions are severe, SACC will not open then you must pick-up your child at the school dismissal time, make arrangements for your child to be picked-up or give direction to send your child home on the bus. Plan this out ahead of time.
- (2) If conditions are moderate, SACC will remain open for a specified period of time (such as until 3:00 PM). At the SACC designated closing time, your child must be picked-up. Plan and arrange for a pick-up person ahead of time.
- (3) If conditions are worsening, SACC will remain open for a limited time (such as until 2:30 PM) to give you additional time to pick-up your child. Plan and arrange for this ahead of time.

The key is to plan ahead and inform SACC of the arrangement. We do not want children going home on buses to unattended homes or staying at school or SACC awaiting your pick-up and you are waiting at home for the bus.
