For each book read, the adult or child writes the title of the book. The child draws a smiley ☺ if they liked the book. The target is to read 15 books each month in order to reach the 100 book goal. Each reading log should be returned the last day of each month. If the last day falls during the weekend please send the form the last school day before the weekend. If you are unable to send the form before the due date it will count for the following month. Additional information is available on Norma School's Website.
